**Panelists: Kim Bennett, Kevin Brown, Kim Gegner, Todd Henley**

### **Biblical Trauma Healing Ministry: Building Safe Communities of Healing**

**Description:** This session will look at the shared pain from the pandemic and social unrest, and then examine how biblical trauma healing can and should respond to our current traumatic environment by preparing participants for the aftermath. How can pastors, social workers, counselors, and facilitators build a trauma healing ministry and create a safe and a sacred space for healing?
